Notes to Condensed Interim Consolidated Financial Statements
Three Months Ended August 31, 2022

(Unaudited)

1. NATURE OF OPERATIONS

G2 Goldfields Inc. ("G2" or the "Company") was incorporated as 7177411 Canada Corporation on May 21, 2009, under the laws of Canada. The Company is primarily engaged in the business of acquiring and exploring mineral properties. The common shares of the Company trade on the TSX Venture Exchange under the symbol "GTWO".

The head office, principal address, and records office of the Company are located at 141 Adelaide Street West, Suite 1101, Toronto, Ontario, Canada, M5H 3L5.

The COVID-19 outbreak has been declared a pandemic by the World Health Organization. The situation is dynamic and the ultimate duration and magnitude of the impact on the economy, capital markets and the Company's financial position cannot be reasonably estimated at this time. The Company is monitoring developments and will adapt its business plans accordingly. The actual and threatened spread of COVID-19 globally could adversely impact the Company's ability to carry out its plans and raise capital. Exploration activities in Guyana remain to be operational as the Company has setup an isolated camp to continue its drill program.

These unaudited condensed consolidated interim financial statements were authorized for issuance by the Board on October 31, 2022.

2. BASIS OF PREPARATION

These unaudited condensed consolidated interim financial statements have been prepared in accordance with IAS 34 Interim Financial Reporting as issued by the International Accounting Standards Board ("IASB"). Accordingly, certain disclosures included in the Company's annual consolidated financial statements prepared in accordance with International Financial Reporting Standards ("IFRS") have been condensed or omitted. These condensed consolidated interim financial statements should be read in conjunction with the Company's annual consolidated financial statements for the year ended May 31, 2022, which include information necessary or useful to understanding the Company's business and financial statement presentation.

The accounting policies applied in the preparation of these unaudited condensed consolidated interim financial statements are consistent with those applied and disclosed in the Company's consolidated financial statements for the year ended May 31, 2022, except for the adoption of new amendments to IFRS standards as set out below.

In preparing these unaudited condensed consolidated interim financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, revenue and expenses. Actual results may differ from these estimates. The critical judgements made by management in applying the Company's accounting policies and the key sources of estimation uncertainty were the same as those applied and disclosed in the Company's consolidated financial statements for the year ended May 31, 2022.

Adoption of Property, Plant and Equipment: Proceeds before Intended Use (Amendments to IAS 16)

The Company adopted Property, Plant and Equipment: Proceeds before Intended Use (Amendments to IAS 16) on June 1, 2022. These amendments clarify the accounting for the net proceeds from selling any items produced while bringing an item of property, plant and equipment to the location and condition necessary for it to be capable of operating in the manner intended by management. The amendments prohibit entities from deducting amounts received from selling items produced from the cost of property, plant and equipment while the Company is preparing the asset for its intended use. Instead, sales proceeds and the cost of producing these items will be recognized in the consolidated statement of operations. The amendments did not have any impact on the Company's consolidated financial statements upon adoption.

New and Revised IFRSs, Narrow Scope Amendments to IFRSs and IFRS Interpretations not yet Effective

Certain pronouncements have been issued by the IASB that are mandatory for accounting periods after December 31, 2022. Management is still evaluating and does not expect any such pronouncements to have a significant impact on the Company's consolidated financial statements upon adoption.
